

2008 AIRPORT PLAN

Friday, May 30, 2008

Before leaving your home for the airport, check carefully your "stuff" to make certain you have everything. Wear your Leadership Club T-Shirt*. When you arrive at the AirTran staging area make certain you and your parents check in with Dr. Cheryl Crooks. (*required)

Individual airline tickets will be distributed by Mr. Russ Clayton.

(Plane departs for Las Vegas at 9:25 AM. Flight 775)

Students need to arrive at 7:00 AM at the AirTran ticket area (North Terminal) for check in. The students and sponsors will meet outside the ticketing area on the concrete patio. Look for a tour sponsor and gather with your parents for further instructions. Students and parents need to check in with Dr. Cheryl Crooks so that she is aware of your arrival. After checking in students go to the group staging area. This is the time to say goodbye to your parents. The touring group will check in their luggage at a predetermined area supervised by an AirTran Airline representative. Expect this process to take some time. After checking our luggage, the touring group will depart for the concourse.

Baggage Requirements: Free baggage allowance takes into consideration the reasonable baggage requirements of those traveling on AirTran Airlines.

A. Excess Baggage - \$50.00 per piece.

- Baggage in excess of the free baggage (2 checked bags and 1 carry on) allowance will be charged at the rate of \$50.00 per bag.

B. Overweight Baggage

- Passengers are allowed to check 2 bags weighing no more than 50 pounds each.
